Congratulations on your purchase of a quality Dee Zee product. Dee Zee is recognized as having the highest quality running boards and accessories on the market today. We have earned this reputation by offering our customers a product they can be proud to place on their vehicles. Dee Zee meets all the criteria of manufacturing a custom-fit product which guarantees it to be the easiest product to install.

Instructions: Please take the time to read all of the installation instructions carefully before beginning this installation.

TWO YEAR WARRANTY FOR CHROME STEEL AND BLACK STEEL PRODUCTS

Dee Zee Manufacturing, Inc. guarantees the original purchaser of Dee Zee products a five year warranty against manufacturing defects in materials, workmanship, and finish under normal use. **Warranty does not include shipping damage, product misuse, improper installation, road hazards, impairments from accidents, product modifications or product neglect, and or scratches during the life of the product. This warranty does not include rust incurred / and or corrosion to the installation brackets over the life of the product.** This five year warranty applies only to new products and is limited to the repair or replacement of Dee Zee products. Warranty does not include costs of removal, installation, labor, inconvenience or consequential damages. Original purchaser must return defective merchandise, along with the purchase receipt, to the original place of purchase.

FINISH PROTECTION AND CLEANING INSTRUCTIONS

Dee Zee products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Protect the finish with a non-abrasive automotive wax, (e.g. Pure Carnauba) on a regular basis. The use of any soap, polish, or wax that contains an abrasive is detrimental to the finish, as the compounds scratch the finish and open it to corrosion. The use of a black automotive type touch up paint is recommended to cover up any rock chips that would be incurred during everyday use to help in the prevention of corrosion.

LIFETIME WARRANTY FOR CHROME STAINLESS STEEL PRODUCTS

Dee Zee Manufacturing, Inc. guarantees the original purchaser of Dee Zee products a lifetime warranty against manufacturing defects, materials, workmanship, and finish under normal use. **Warranty does not include shipping damage, product misuse, improper installation, road hazards, impairments from accidents, product modifications or product neglect, and or scratches during the life of the product. This lifetime warranty does not include rust incurred / and or corrosion to the installation brackets over the life of the product.** This lifetime warranty applies only to new products and is limited to the repair or replacement of Dee Zee products. Warranty does not include costs of removal, installation, labor, inconvenience or consequential damages. Original purchaser must return defective merchandise, along with the purchase receipt, to the original place of purchase.

FINISH PROTECTION AND CLEANING INSTRUCTIONS

Dee Zee products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Protect the finish with a non-abrasive automotive wax, (e.g. Pure Carnauba) on a regular basis. Dee Zee Chrome Grillguard Installation Instructions

DZ 501735

(2002 – Current) Chevy Trailblazer

Parts List:

QTY:1 - Chrome Grillguard
QTY:2 - Top Mounting Brackets
QTY:2 - Bottom Mounting Brackets
QTY:1 - Mounting Hardware

Installation Instructions:

1 - Read and understand instructions completely before beginning this installation.

2 - Locate the existing holes in the vehicle frame as shown below. Secure the bottom mounting bracket to these existing holes using 3/8 x 1" hex head bolts, 3/8" washers, and 3/8" lock nuts.

3 - Locate the factory clips holding the vehicle grill in place and then remove the grille from the vehicle. Locate the bolt shown in the picture below and remove it from the vehicle. Place the top mounting bracket onto the existing bolt location and replace the factory bolt.

4 - Place the grillguard up to the bottom mounting brackets and secure into place using ½ x 1 ½" hex head bolts, flat washers, and lock nuts.

5 - Secure the top mounting brackets to the grillguard using 3/8 x 1 ¼ button head bolts, flat washers, and lock nuts.

6 - Make any final adjustments to the alignment of the grillguard on the vehicle and then tighten all of the bolts. Re-install the grille on the vehicle. Note: Make sure to allow for clearance when opening and closing the hood on the vehicle.
