

## NEW PRODUCT RELEASE

### Flowtech Exhaust Announces Shorty Headers for 09-14 Dodge Ram 1500 Truck V8-5.7L HEMI

AVAILABLE 7/11/14

#### PRODUCT DESCRIPTION

Flowtech Headers are the perfect combination of quality and value. This shorty header fits the popular 2009-14 Dodge RAM 1500 V8-5.7L HEMI 2WD/4WD.

- Mandrel-bent tubes provide consistent tubing diameters for smooth flow and increased exhaust velocity
- Heavy duty 16-gauge tubing for increased strength and durability
- 1-3/4" primary tube diameter for increased exhaust flow increasing performance and improving throttle response
- OE style 2-1/2" ball and socket collector connects to factory exhaust head pipe
- TIG-welded, machined 3/8" header flange for a leak-free seal and maximum strength
- 49-State Legal. Accommodates all factory OE components.
- Premium aluminum header gaskets included
- Available in a high heat resistant black paint or a satin silver metallic ceramic thermal barrier coating
- Headers are a must if you are using a cold air intake, cat-back exhaust system or tuner

If you have any questions about this or any Flowtech exhaust application, please contact our tech service department at 270-781-9741.
