

ATTENTION!

ADDENDUM TO 199R10018

FORD MUSTANG THROTTLE BODY

Our area code has changed! Our new Technical Service Department's phone number is 270-781-9741.

Also the "APPLICATIONS" section must be changed to say:

APPLICATIONS:

The products contained in this kit are designed to be a high-performance replacement for 1986 –1993 5.0L Mustangs. The large-bore throttle body **MUST** be used with Holley's large-bore EGR spacer. If the O.E. EGR spacer is used, a qualified machine shop must bore the EGR spacer to the same diameter as the throttle body AND a new gasket must be fabricated to keep coolant from leaking into the engine.
