

THANK YOU FOR SELECTING A HUSKY FLOOR LINER FROM WINFIELD CONSUMER PRODUCTS

CARE AND USE INSTRUCTIONS

Your new floor liner is custom molded to fit your particular vehicle. The liner is made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mat before installing your new floor liner.** However, do not remove the factory-installed carpeting.

Your liners are made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liners is with a damp cloth or sponge. If using a cleaner, 409[®] or Glass Plus[®] work well. Use of Armor All[®], Son-of-a-Gun[®] or similar items is discouraged as these products make the liners slick.

INSTALLATION INSTRUCTIONS FOR YOUR TOYOTA SIENNA FRONT FLOOR LINERS

TO INSURE PROPER FIT OF YOUR DRIVER'S SIDE LINER, REMOVE THE TWO FACTORY CARPET HOOKS BEFORE INSTALLING YOUR LINER. THE CARPET HOOKS ARE EASILY REMOVED BY SIMPLY PULLING UP ON THE HOOK END. THE CARPET HOOKS WILL SNAP FREE FROM THE GROMMETS AND CAN BE STORED IN THE GLOVE BOX OR CONSOLE SHOULD YOU NEED TO REPLACE THEM AT A LATER DATE.
