

THANK YOU FOR SELECTING A HUSKY FLOOR LINER FROM WINFIELD CONSUMER PRODUCTS

CARE AND USE INSTRUCTIONS

Your new floor liners are custom molded to fit your particular vehicle. The liners are made to take the place of your factory floor mats. For correct fit, it is necessary to remove the factory floor mats before installing your new floor liners. *However, do not remove the factory-installed carpeting.*

Your liners are made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liners is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liners slick.

INSTALLATION INSTRUCTIONS FOR YOUR JEEP WRANGLER SECOND SEAT FLOOR LINER

YOU HAVE RECEIVED HUSKY LINER PART #6052, WHICH FITS THE 2-DOOR VERSION OF THE JEEP WRANGLER. IF YOUR WRANGLER HAS 4 DOORS, YOU NEED HUSKY LINER PART #6053 FOR THE CORRECT FIT.

TO EASE INSTALLATION OF YOUR LINERS, MOVE BOTH FRONT SEATS TO THEIR MOST FORWARD POSITION PRIOR TO INSTALLING LINERS. ONCE THE LINERS ARE INSTALLED, REPOSITION SEATS AS DESIRED.
