Contents Illustrations may vary upon application

Billet Grille

4 - 10/32 x 3/4" Button Head
Socket Cap Screws

4 - 3/16 x 1/2"
(W2) Washers

4 - 10/32 (N6)
Kep Nuts

Tools Required

Safety Glasses
and Gloves

Drill with
1/8" Drill Bit

Rivet Gun

Shipping Note

Sometimes the billet products get bent in the shipping process. You may need to hand bend them to attain the desired shape.

Installation Steps

Remove the grille from the box and check the grille for any damage and make sure all required hardware is included.

Test fit the grille into the bumper and mark where the tab holes line up.

Drill 7/64" holes in the marked area on the bumper. Place and align grille onto the bumper and secure with the provided bolts, nuts and washers.

Double check and make sure everything is in place and secure.

Care and Cleaning

To keep your billet inserts looking their best, we recommend using only mild soap and water and a soft cotton cloth to wash and dry it. Use of rough cleaning agents or cloths may scratch or dull your billet inserts.

Should your billet inserts become scratched or dull, we recommend TRENZ® Metal Polish to bring back the mirror finish. There are three grades of TRENZ® Metal Polish (Coarse, Medium and Fine) that will help you keep your billet inserts looking brand new. Select the TRENZ® Metal Polishes best for your needs:

1. Course (Red) Polish – For severe scratches and pitted problems.
2. Medium (Green) Polish – For light scratches and dulling problems.
3. Fine (White) Polish – To bring back the mirror finish.

TRENZ® Metal Polish can be used on all metal products, including aluminum, stainless steel, brass and copper. If you have additional questions or concerns on the maintenance of your Lund® billet inserts, please call us at 800-328-5863. You may also use high quality commercially available polish recommended for aluminum accessories.

Congratulations!

You have purchased one of many quality Lund® branded products offered by Lund International, Inc. We take the utmost pride in our products and want you to enjoy years of satisfaction from your investment. We have made every effort to ensure that your product is top quality in terms of fit, durability, finish and ease of installation.
