## Table Leg Kit Instructions #224

### Your table leg kit contains:

- (4) aircraft aluminum legs (24.5" long)
- (12) fiddle screws

The table leg kit transforms your PetSTEP II into a table that can be used anywhere. Ideal for grooming, dining, gardening, hunting or any other place a table is needed. Use with locking braces included with the ramp.

### Instructions for use:

1. Turn ramp to expose the under side
2. Notice 12 screw inserts on four corners of ramp
3. Position each leg so that holes align
4. Insert the fiddle screws and tighten
