

TVN-NIH3 INSTRUCTIONS

Applications

Infiniti

G35 2005-06

The TVN-NIH3 is designed for use with the TVN-UN universal video interface (sold separately) and for the vehicles listed above.

Installation Instructions

The TVN-NIH3 is designed to be installed at the navigation screen and NOT at the radio. Unplug the connector(s) at the navigation screen and install the TVN-NIH3 in-between. **The Black wire coming off the TVN-NIH3 harness needs to be grounded.**

Follow the installation instructions that are with the TVN-UN to complete the install.
