Installation Instructions
Tonneau Cover Extension
(Part # 761435, 761436)
07-11 Jeep Unlimited (4-Door)

Read instructions entirely before attempting to install this product.

NOTE: Depending on what your vehicle is equipped with; remove your hardtop and or soft top including entire bow assembly. It is also recommended to remove the softtop pivot brackets that are installed on the sport bar using a # 30 Torx. This part must be used in conjunction with Smittybilt Tonneau Cover (Part# 7613xx)

Step 2: Attach the rear of the extension to your tonneau by connecting the zippers. (The Rear of the extension has snaps on it.) Fig A

Step 3: Slide the two straps in the front center of the extension piece down under and through the inside bracket of each front seat and secure with buckle. (Fig B, C) Do not fully tighten.

Installation Instructions
Tonneau Cover Extension
(Part # 761435, 761436)
07-11 Jeep Unlimited (4-Door)

- Step 4:** If using extension in conjunction with windbreaker attach the extension to the windbreaker at this time by connection the zippers. (Fig D)
- Step 5:** Secure the front corners of the extension by connecting the hook on the rear of the front door jam. (Fig E) Pull straps tight. **Note:** make sure strap goes between the seat belt and pillar.
- Step 7:** Now secure the previously installed center straps by pulling snug.

(Fig E)

(Fig F)

- Step 8:** (Optional) If you want to add the snap connections to your tonneau, pull the flap on the extension tight towards the back. Mark the locations of the snaps on the tonneau using chalk or grease marker. Fold the flap back and install the included male snaps on the tonneau by inserting the screw through the snap head and then through the tonneau. Secure with the included acorn nuts. Once all are installed; snap the extension flap onto the tonneau. (Fig F)
- Step 9:** Make sure all zippers and straps are secured. Installation is now complete.

INSTALLATION TIPS

1. It is recommended to install this part when temperatures are above 72 degrees F. The material can contract an inch or more making it difficult to install, especially the first time. It is designed to be tight to eliminate flapping.
2. Any wrinkles will eventually go away once the material is “relaxed”

Compliment your new Tonneau cover (A) with Smittybilts Tonneau Cover Extension (B) Part # 7614xx and Winbreaker (C) Part # 903xx

CARE AND MAINTENANCE

Wash cover with warm water and non abrasive soap. The zippers should be lubricated regularly to keep them running smoothly

Limited Warranties

Smittybilt's products are covered under the following limited warranties only. Note that the duration of the limited warranty differs according to the material and finish of the product purchased. Subject to the duration and conditions of the limited warranty stated below, Smittybilt warrants to the original retail purchaser that its products are free from defects in material and workmanship. All other warranties and representations express or implied, are hereby disclaimed, including fitness for merchantability and buyer's intended use or purpose. All parts are sold "AS IS" except for the limited warranties granted herein. Buyer assumes all risks as to the selection, suitability and performance of all goods and products selected. This limited warranty does not cover damage or impairment in any part due to misuse, improper installation, accident or contact with on-road or off-road hazards, product modification, improper or inadequate cleaning and/or maintenance. Smittybilt is not responsible for items damaged during shipping. This warranty is not transferable from the original buyer. For the original Buyer to be eligible for the limited warranty coverage, the Buyer must provide proof of purchase. Customer's remedy hereunder shall be limited only to repair or replacement (at Smittybilt's option) of any defective part(s) returned to Smittybilt at customer's expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at Smittybilt's sole discretion.

Limited One (1) Year Limited Warranty on Soft/Cut & Sew Products -

Smittybilt soft/cut & sew products carry the foregoing limited repair or replacement warranty for a period of (1) one-year against workmanship and defects in the material from the date of purchase.

To assure product quality, Smittybilt reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Smittybilt reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.
