Note: If you have a 2010-2011 with the new door surrounds/soft top (Added plastic extrusion in the top channel part of the door surround) you will not be able to utilize this mounting style, proceed to Step 10.

Step 9: Locate the drain flaps in the front corners and just behind the front door. Fold the top from back to front so it lays flat. Secure with Velcro straps. (Fig I)

(Fig I)

(Fig J)

Step 10: If your vehicle does not have the door surrounds simply attach the top to the roll bar using the remaining Velcro straps along the side of the top going around the sport bar.

Step 11: Make sure all straps are secure. Installation is now complete.
