

Description: Projector headlights with halo
Part Number: 111157, 111158, 111043, 111044
Application: 99-04 Jeep Grand Cherokee

Tools needed
7mm socket and wrench, wire
strippers, electrical tape.

Remove the 7mm bolt from
the top of the headlight assembly.

Pull the headlight straight out.

Untwist all the bulbs along the
bottom of the light. Unclip the
headlight weather packs.

Remove the bulb from the center
bottom socket.

Strip the wires back a little bit on
on the socket you removed the
bulb from.

Splice the wires coming from the
new light into the wires you stripped
back. Black is ground and black
with a purple stripe is positive.

Remove all the paper and rubber
hole covers from the bottom
row of lights.
Plug all the lights in and bolt the
light back into place.

Check all funtions of the light
before operating the vehicle on
the highway.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
