

Description: Tail light
Part Number: 321141-321038-321039-321041-321040
Application: 1996-2000 Honda Civic 2 door

Step 1: Remove the inner tail light 8mm screw located on the outer trunk.

Tools needed: 8 mm socket

Step 2: Remove the two 8mm screws.

Step 3: Unplug the tail light wire harness.

Step 4: Remove the tail light from the trunk.

Step 5: Put the new Anzo inner tail light in and plug in the harness and screws

Step 6: Remove the push pin for the trunk lining.

Step 7: Remove the four 8mm screws and unplug the wire harness.

Step 8: Take off the original tail light.

Step 9: Install the new Anzo tail light and screw it in.

Step 10: Plug in the original wire harness.

Step 11: Test all functions before driving.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
