Thank you for purchasing one of our fine quality products. Your seat cover is engineered from high quality materials and designed with precision to give you a long-lasting, well-adjusted fit.

INSTRUCTIONS:

A) CUSHION COVER

- 1) For ease in installation, remove jack and replace after completion

B) BACKREST COVER – 40 PORTION

- 1) Pull the latch tab located on the side of the backrest
- 2) Slip cover over backrest

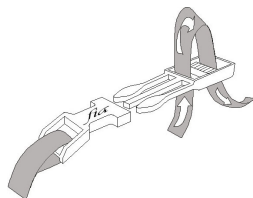

- 3) Place latch tab through opening provided
- 4) Smooth cover tightly from top to bottom
- 5) Insert flaps through crevice and attach to velcro at back

C) BACKREST COVER – 60 PORTION

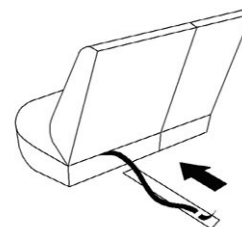

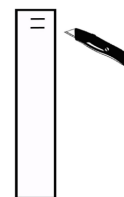

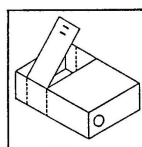

- 1) Repeat steps 1 – 5 above.
- 2) When installing backrest cover on seat with middle shoulder belt strap, ensure the seat cover is installed under the seat belt strap assembly. For easier installation the center seat belt can be removed. Please check with your dealership
