

WEATHERBEATER™ FLOOR LINERS

PT #1403

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater™ Floor Liner from Husky Liners. Your new 2nd seat liner is custom molded to fit your Jeep Wrangler 2-Door. The liner is made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liners.** However, do not remove the factory-installed carpeting.

Your liner is molded using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.

SECOND SEAT FLOOR LINER INSTALLATION INSTRUCTIONS FOR JEEP WRANGLER 2-DOOR MODELS

TO EASE INSTALLATION OF LINERS, MOVE FRONT ROW SEATS COMPLETELY FORWARD TO GIVE COMPLETE ACCESS TO THE REAR FLOOR PANS. ONCE THE LINERS ARE INSTALLED, REPOSITION FRONTS SEATS AS DESIRED.
