

## WEATHERBEATER™ FLOOR LINERS

PT #9932

### CARE AND USE INSTRUCTIONS

---

Thank you for selecting a WeatherBeater® Floor Liner from Husky Liners. Your new front floor liners are custom molded to fit your Ford Explorer. The liners are made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liners.** However, do not remove the factory-installed carpeting.

Your liners are made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liners is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liners slick.

### INSTALLATION INSTRUCTIONS FOR YOUR FORD EXPLORER FRONT FLOOR LINERS

LEFT OR DRIVER'S SIDE

RIGHT OR PASSENGER'S SIDE

TO EASE INSTALLATION OF YOUR FRONT LINERS, MOVE BOTH FRONT SEATS TO THEIR MOST REARWARD POSITION. ONCE YOU HAVE INSTALLED YOUR LINERS, REPOSITION THE SEATS AS DESIRED. TAKE CARE THAT THE LINERS ARE ATTACHED THE FACTORY FLOOR MAT FASTENERS.
