Parts Included	Qty
Left Top Section	1
Right Top Section	1
Small Knob	2

NOTE: Read instructions entirely before assembling and installing this part.

- 1) Insert left upright into left top section and use small knob to lock the two parts together.
- 2) Use the large knobs with the long shafts on the front and rear locations to attach the surround to the vehicle.
NOTE: It is easiest to insert the plastic foot on the upright into the mount point on the body of the vehicle first before slipping the top mounts onto the roll bar.
- 3) Repeat installation for other side.
