

Installation Instructions

Recoil Recovery Rope
Part # CC121, CC122

WWW.SMITTYBILT.COM

Read and understand all warnings before using this part.

- A.** Make sure end loops are securely fastened to attachment points.
- B.** This is a Recoil rope (stretches) so be aware of the amount of room you have.

CC121 – Works with 3/4” D-ring/Shackles
CC122 – Works with 7/8” D-ring/Shackles

Note: D-rings/Shackle measurements are of the actual shackle not the pin.

Always use caution and care when recovering a vehicle. In proper use can cause property damage or sever bodily injury.

- Never exceed strength limits of product
- Do not use on sharp edges
- Routinely check rope for fraying or splitting
- Make sure all attachment points are secure before using
- Do not use near open flame
- Do not use bumpers as an attachment point
- Keep a safe distance when using.

Be aware and cautious of “recoil” action

WARNING: Cancer and Reproductive Harm -

To assure product quality, Smittybilt reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Smittybilt reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.

Warning

Rollover and other types of vehicle accidents may result in serious injury or death to you, your passengers and others sharing the road. Smittybilt accessories are decorative and are not intended to reduce or avoid injury or damage in the event of an accident. The weight and location of Smittybilt accessories may affect your vehicles' handling, stability and performance, creating an increased risk of accident or rollover. Before installing any accessory, check state laws and assure that the accessory will not obscure any lights or interfere with proper operation on your vehicle's safety equipment. Consult your owner's manual and the Smittybilt instructions, or additional safety information. Smittybilt products, nor the warnings contained herein, are not a substitute for your safe driving. Don't drink and drive, always use seat belts and don't drive faster than conditions permit.
