## How We Work With You

- Provide Do-It-For-Me (DIFM) solutions to create, normalize, enhance and manage your data
- Support MAP and Unilateral pricing across the industry
- Support custom data formats for your key customers as needed

*"With the explosion of the eCommerce world, DCi has allowed us to enter that market with ease. They manage our electronic files... It's a seamless transaction and without them, I don't know where we'd be."*

Mark Aguilar, Aries Automotive

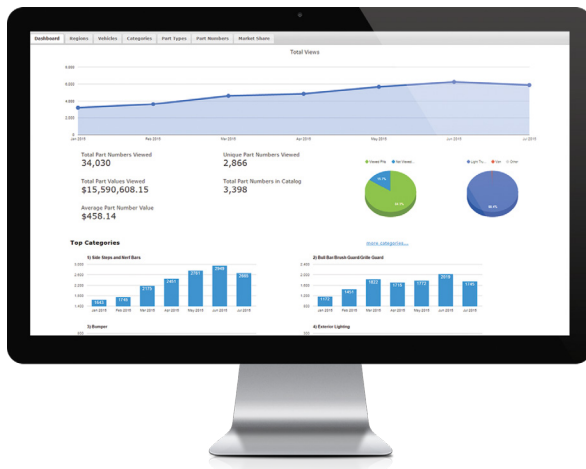

## The Sales Network

- Expose your brand and products to more than 80,000 resellers
- Online parts search gives your customers real-time parts access
- Your brand & products are integrated with leading P&A WD's online systems
- Inform key buyers about your newest products every week

## The Reporting Dashboard

- Get instant insights on the demand for your products

*"Data visualization tools and rich graphical interfaces with regional and vehicle segmentation to track our sales efforts are an essential part of our business management and success. What DCi has engineered is industry-leading, and gives us an edge in competing in the complex and diverse automotive aftermarket space."*

Peter R. Taylor, General Manager US, Go Rhino/Big Country
